

## **COVID Safety Policies and Procedures**

### **TBC Children's Ministry**

- All parents or guardians must sign a COVID-19 waiver form before their child(ren) may participate in any Children's Ministry activities. This is applicable to children of any age participating in any of the following classes: nursery, toddler, or children's worship.
- Temperatures of children will be taken when they sign in before service.
- Parents will be asked whether their child has been in contact with anyone who has tested positive for COVID-19 within the last 14 days, whether their child has exhibited any symptoms of COVID-19, or if their child has had fever in the past 48 hours. Symptoms of COVID-19 include: fever, coughing, shortness of breath, sore throat or stomach symptoms.
- Teachers will wear face shields/masks and have their temperature taken before the children arrive in the room. Masks will be optional for children, and child-size disposable masks will be available for those who need them.
- Students will wash their hands/use hand sanitizer upon arriving.
- Students will then be directed to their own carpet square to sit on during their time in the chapel. Carpet squares will be placed at appropriately distanced intervals around the room.
- Each student will have their own box of supplies for any craft or activity that takes place, and that box will remain in the chapel with their name on it and their supplies in it from week to week. Students will not be allowed to share supplies with other students.
- Any snack that is given to students will be pre-packaged and individually wrapped.
- Any time a student goes to use the restroom, after he has returned to class and before any other students use the restroom, a teacher will wipe down the toilet area and sink area with a disinfectant.
- After students have left with their parents, carpet squares will be sprayed with disinfectant, and any surfaces where the children have been sitting or touching will be disinfected as well.

These precautions will be continually evaluated and may be updated. Thank you for your understanding, if you have concerns or questions about any of these policies, please email [aherington@trinity3e.org](mailto:aherington@trinity3e.org).
